VOTES HERE 6000  
OVER 1918 TOTAL

Highly Organized News Gathering  
Flashes Latest Returns Earlier Than  
Ever Before.

Janesville cast within 1,000 of the usual normal vote in Rock county Tuesday. The highest vote was for Charles H. Hagedorn, candidate for sheriff, who polled 11,029 in the city. This is over 6,000 more than the total for governor here in 1918 when the vote in the city was 4,960. The increase is due wholly to the fact that women voted for the first time.

An example of the increase is found in the third ward where 1,300 ballots, three times the usual number, were cast. As a result, the polling place in the city was overcrowded and congested making it especially uncomfortable for the women.

Record News Gathering.  
Election returns gathered by telephone and teletype Tuesday night by the Gazette's corps of correspondents and special service gave citizens of Janesville news of the progress of the voting more rapidly than ever before. Despite the fact that the counting at the polls made the returns slow, due to a mixup in ballots, the news was flashed on a series of wires from the Gazette building earlier than any other newspaper in the county. For the first time in the history of the city, the total county vote was gathered in a day night. This was due to a highly perfected organization of workers.

Last returns in the city were received from the second ward at 11:30 p. m. The first ward was closed to complete the count, the last figures being recorded there as the clock struck midnight.

Thousands Make Inquiry.  
Hundreds crowded J. Milwaukee street until midnight to watch the returns thrown upon the canvass less than a minute after the polls closed in the office. Animated by the closest primary contest in years throughout the county and state, the count was a draw card to catch every bulletin as it came in. Some not content with waiting in the street, crowded into the newspaper offices from the Gazette building earlier than any other newspaper in the county. For the first time in the history of the city, the total county vote was gathered in a day night. This was due to a highly perfected organization of workers.

OLD TIME EATING  
JOYS ARE HARD TO FIND IN LONDON  
London—A reporter for a London newspaper who considers himself an expert has just finished an extensive study of London restaurants and reached the conclusion that English restaurant cooking has degenerated to an extent almost unbelievable.  
He complained that he could not find a good old-fashioned English steak, that juicy mutton chop with a piece of kidney and a slice of onion, difficult to obtain, that the pastry of the meat pies the Englishman loves so well is no longer light and fluffy and that the traditional jellies lacked their old-time taste.  
The famous Soho eating places, too, have lost much of their old-time charm. Soho, says our reporter, is that district famous for its league of smells, for its children-slee-eyed swartzy bachelors, its little shawled Madonnas and its little restaurants. It is the Latin quarter of London.  
Soho is reaping a harvest because so many people are "eating out" owing to the high cost of maintaining a kitchen, but it is doing it at the cost of losing the atmosphere the real habitué enjoyed. Any many of the "regulars" have had to give up their favorite places owing to increase in prices and because they disliked to dine near people who do not appreciate perfectly prepared food and who never seem to assimilate the atmosphere of these quaint places.

Mexico Raises Pay of Its Diplomatic Agents  
Mexico City—Because of the increased cost of living throughout the world, the Mexican government has decided to raise the salaries of its diplomatic representatives about 50 per cent. This increase will affect both the Mexican government and the foreign offices instead of by the president as heretofore. New appointments will be required to proceed to their respective posts within 30 days instead of 60 days. This later reform has been introduced because of the cause in the past many diplomats have shown a tendency to linger at home while they were drawing full pay.

Important Records Of Empire Are Lost  
Vienna—So many important records of the last days of the empire have disappeared from the files that the war archives department has been forced to appeal to officers and officials to come forward with verbal testimony of personal papers in order to complete the history of the complete history of the breakdown, both on the war fronts and internally, may be written.

U. of I. PIONEERS IN ENGINEERING EXPERIMENT WORK  
Champaign, Ill.—Pioneer work in engineering done by the engineering experiment station of the University of Illinois has resulted in an admirable record of achievement according to a statement of results made public here today. This experiment station was the first of its kind to be organized and it is now entering on its eighteenth year.

One of Illinois' industrial leaders is quoted as saying recently that the coal investigations of the station and the results of the work promised to be worth more to the state and the nation than all the appropriations the university would get in the next 100 years.

The engineering experiment station was established to stimulate and to elevate engineering education, to solve problems of practical importance to professional engineers and to the manufacturing, railway, mining and other industrial interests of the state and the nation. The station has been successful in its work and its results are being made public here today.

"Probably none of the contributions of the station has been more important than those dealing with the strength and properties of engineering materials and of structures," said the university president. "The variety of investigations in the field of reinforced concrete which have been completed have been of tremendous assistance in connection with the design of reinforced concrete structures."

"Other important information has been published concerning the behavior of beams, the bond between concrete and steel, characteristics of concrete columns, and the behavior of reinforced concrete slabs."

A number of important bulletins dealing with the strength of materials has been issued, such as the strength of chain links. The methods for the design of chains, therein recommended are now in general use. The strength and stiffness of steel links undergone a series of investigations from which illuminating facts were given to the world.

"In steam engineering some important work has been done in connection with studies of boiler performance and economy, and of methods of burning Illinois coal without smoke. Engineers dealing with the tractive resistance of freight and passenger trains and of electric cars are employed as a basis for figuring tonnage and for the maintenance of proper train schedules."

Matheson Wins By 2,134 Plurality  
Runs Way Ahead of Maxfield and Carroll for Assemblyman.

By a vote of nearly 3 to 1, A. E. Matheson, Janesville, was given the republican nomination for assemblyman from the northern half of Rock county at the primaries yesterday. His plurality was 2,134 votes.

Mr. Matheson is now assured of being this district's representative in the lower house of the state legislature, succeeding Thomas E. Nolan.

The total vote for Matheson in the 16 precincts of the district was 5,272. Martin Carroll, city, was next with 1,138, while Alvah Maxfield town of Janesville, ranked third with 1,122. Matheson's vote is 2,006 more than the combined vote for his two opponents.

The winning candidate carried 13 of the 16 precincts receiving his heaviest vote in the city of Janesville. Maxfield won out in Fulton and Janesville townships, whose combined vote was 1,122. Carroll was given a plurality of 25 votes in the fifth ward, Janesville.

Matheson received 851 votes in his home ward, the third, against 167 for Maxfield and 110 for Carroll. He led Carroll by 98 votes in the fourth.

Brodhead Votes Wilcox and Lenroot  
Brodhead — Primary election brought out many votes in Brodhead Tuesday with the following results: Wilcox for governor; Harrington for lieutenant governor; Harrington for secretary of state; Levin for treasurer; Morgan for U. S. senator; Leonard for U. S. senator; Monahan for congress; Olson for assembly; Annie Brown for county clerk; Campbell for county treasurer; "Rice" for sheriff; Shirley for coroner; Booth for clerk of court; Caradine for district attorney; Burkhardt for registrar of deeds.

The strength and stiffness of steel links undergone a series of investigations from which illuminating facts were given to the world.

"In steam engineering some important work has been done in connection with studies of boiler performance and economy, and of methods of burning Illinois coal without smoke. Engineers dealing with the tractive resistance of freight and passenger trains and of electric cars are employed as a basis for figuring tonnage and for the maintenance of proper train schedules."

Hunter Beesley Lay Destructive Gipsy Moths  
Collectors from the American Museum of Natural History in Manhattan, have been finding in quantity in the neighborhood of Clinton, Conn., specimens of the large ground beetle, Calosoma sycophanta, native to Europe and Japan. In 1906 this beetle was introduced into Massachusetts to combat the tree-destroying gipsy and saw-toothed moths, whose caterpillars it devours. Colonies have since been planted in the adjoining states infested by the moths.

In 1914 the hunter beetle was introduced into Stonington, Conn., in 1915, into Thompson, and in 1917, into Killingly. But a year before the species had been planted in Thompson, a specimen was found there, which must have migrated from Massachusetts or Rhode Island. And in 1915 a specimen was captured near South Africa, at least 40 miles in a straight line from any point where the species had been liberated in the gipsy moth territory. Since then, specimens have been observed in Putnam, Fairfield, Old Lyme, Darien and New Haven, showing that the species has become well distributed.

Investigation has shown that although the Calosoma beetle has become our best ally against the gipsy moth, and as it reproduces in substantial numbers the outlook for its future usefulness is promising. It is a particularly effective natural enemy of the gipsy moth, as both its larvae and adults feed on that pest, and the life history of the beetle and the larvae corresponding very closely to that of the larval and pupal stages of the gipsy moth, makes the beetle especially adapted to attack the moth.

The Calosoma beetle continues to spread, and will probably soon be found wherever the gipsy moth is known, and in places outside that territory it can find other sufficient food. The adult beetle of this species is about one inch in length. It can be recognized by the metallic, blue-green lustre of its body, its dark-blue head and bluish-black underparts. A few specimens have been placed on exhibition in the

## AFTON WOMAN IS BURIED AT ROCKTON

(By Special Correspondent.)  
Afton, Sept. 8.—Funeral services for Mrs. Elsie Koenig, who died at

her home here Saturday afternoon after a few hours illness, were held from the home Tuesday afternoon. The Rev. George Green of the Rockton, Ill., Methodist church of which she was a member, had charge of the services. Her body was laid to rest in the Rockton cemetery beside that of her husband who died sev-

eral years ago.  
Mrs. Koenig's sudden death was due to heart trouble and her advanced age. She was 82 years old. She is survived by one daughter, Mrs. Lizzie Fawn, Devitt, Ill.; one son, Robert, who lived at home; one brother, Charles Crawford, Chicago; and one sister, Layna Crawford, Rockton, Ill.

Relatives from away who attended the funeral were Mr. and Mrs. Homer Spawn, Devitt, Ill.; Charles Crawford, Chicago; William Crawford, Mrs. Edna Sugrow, Mrs. G. Lund, and Miss Julia Lund, all of

Beloit. The pall bearers were Elmer Brinkman, Carl Geiffen, A. J. Fuller, George Robb, Edward Waters, Gus Mohr.

## JANESVILLE MAN FINED IN BELOIT

Accused in municipal court at Beloit, Tuesday, on a charge of reckless driving, Charles R. Carpenter, this city, was fined \$35 and costs. Monday night he drove on East Grand avenue near the bridge there and narrowly escaped running down a policeman and others. It was charged.

## SEEKS A DIVORCE AFTER LIVING WITH HIM 32 YEARS

Charging cruel and inhuman treatment and a nagging temperament, Mrs. Jennie A. Wixom filed divorce

proceedings yesterday against her husband, Colonel Wixom, both of Janesville. They have been married since February, 1888. A divorce proceedings was started in 1914 by Mrs. Wixom on the grounds of desertion, but it was later withdrawn.

Better street car service.

Make the city a place of welcome to visitors.

and new residents and not for their exploitation.

Have streets as fast as possible until all  
are paved.

MR. MOORE, TALE BEARER FOR  
MR. COX.

Mr. Ed. Moore, of Youngstown, Ohio, was the  
able manager of Gov. Cox at the San Francisco  
convention and the man who joined the forces of  
Tammann, the liquor interests of New Jersey and  
the Illinois unfettered democracy under Boss  
Brennan to the common purpose and the com-  
mon end of naming a pleasing candidate in Jimmy  
Cox, for the presidency.

Tuesday he appeared before the senate com-  
mittee with "all" the "evidence" which Gov. Cox  
has or on which he based his assertion of corrupt  
gathering of a fund for the republican campaign.  
The heaviest artillery produced was in two copies  
of newspapers in which were authorized state-  
ments of the manner and method to be pursued  
by the republicans in gathering a campaign fund  
—by small contributions from many people rather  
than a large sum from a few.

There was no evidence. Having made the  
charges, Mr. Moore complacently said it was the  
business of the committee to find whether they  
were true or not. Moore and Cox are in the posi-  
tion of a person who charges another with murder  
and has no evidence, only being actuated by a  
motive in his desire to snatch a good citizen and  
neighbor. That being the case he simply puts  
the burden of securing the evidence up to the  
jury. Cox and Moore would be thrown out of  
any court on that "evidence."

Nothing has fallen flatter and its author in his  
repeated assertions is hearing out an old saw that  
a "lie well stuck to is as good as the truth."

ALEXANDER MATHESON FOR ASSEMBLY.

In the nomination of Alexander Matheson for  
the assembly in the first district by so large a vote  
that the wishes of the people are manifestly em-  
phasized, Rock county is assured of a representa-  
tive of more than usual ability in the legislature.  
It is well that this is so. The republican nominee  
will be faced with many problems at the next ses-  
sion when there is most likely to be a deluge of  
all sorts of strange measures designed to legisla-  
te the people into, and the taxpayers out of mil-  
lions of dollars.

Mr. Matheson has ability, backbone, inde-  
pendence, enough of the conservative to remain  
safe for the people and with enough of vision not  
to be bound by precedent, ancient and obsolete.

THE WOMEN VOTED.

Tuesday was a great day for the women of  
Wisconsin. While it is too early to tell just how  
far the votes of the new element in the primary  
went, it is already seen that women had much to  
do with the figures piled up at almost every  
polling place and making a primary with more  
votes than were ever cast in the state previously.

One of the places where the woman influence  
was seen was the vote for Hull. He was openly  
and avowedly for prohibition, and while he had  
a platform that carried other planks, it was his  
dry position that brought him from last place to  
fifth on the list so far in the state, and third in  
Rock county.

One of the features of the election is the al-  
most complete disappearance of the democratic  
vote of the county and of the socialist party as  
well. The death of that first dramatic moment,  
thought. It was something they always remem-  
bered, and the Queen of the North Country was  
a favorite play with them.

## A Theatre for Children

By FREDERICK H. HASKIN

Washington, D. C., Sept. 8.—Children of this  
city are soon to have plays produced just for them  
and in a theater of their own.

The children's theater idea has been tried sev-  
eral times in other cities, but usually as a philan-  
thropic or half-way self-supporting proposition.

In a project of this sort interest and funds usually  
dwindle in a short time. But now that the thea-  
trical corporation which believes that children are  
manipulated for suitable entertainment for children is  
great enough to warrant putting it on a strictly  
business basis.

The new corporation plans to erect a novel  
theater building to contain three auditoriums un-  
der one roof. One will be a children's theater, a  
second about 1,000 young players. Then there  
will be a theater for adult audiences in which  
will be a theater for adult audiences in which  
such children's plays as are interesting to grown  
people will be presented and regular stage  
as well. The third auditorium is to be a  
concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the

concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the

concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the

concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the

concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the

concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the

concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the

concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the

concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the

concert hall to seat 2,000, and besides these, the  
concert hall to seat 2,000, and besides these, the

# SAMMIES READY FOR BELOITERS AT EVANSVILLE

Full of pep from their four-game sweep of the last week-end, the Sammie Tractors met up with the Beloit Poles at the Evansville fair in two games this week. On Thursday morning at 10:00, the second Friday afternoon at 2 o'clock. The Poles are not lacking in zip, having copped three out of four contests over Labor day.

Evansville is all hot-up over the clashes. The games have been advertised widely as the biggest attraction of the Rock county fair. Pavorum is divided, with the Sammies getting the margin.

**Sammies on Toes.**  
The Sammies are playing in far greater form now than when they last engaged the Poles in the Engineers' contest. At that time, they split two games by small scores. Keeping up the same style, they'll show the natives some baseball.

Every member of the Sammie organization is ready for the deadly rivals with lots of pep and an enthusiasm. The hitting is strong, well-placed and bunched. The pitching is playing together like a well-oiled machine. Every trick working smoothly with clear headwork.

Without fail, the mound for Evansville is Thursday's Beloit will be either Zabel or Crenshaw, quite likely the latter.

## SOX DEFEATED, 5-0; DODGERS WIN TWO

**American League.**  
Chicago lost a chance to pick up on Tuesday when the Indians were able to drop to Detroit, 5 to 0. As the race now stands, Cleveland is eight points ahead of the Yankees and 14 points in front of the White Sox. Chicago was unable to do anything to Leonard.

Mays shutout the Mackmen 2 to 0 further strengthening New York's hold on second and enabling them to pick up slightly on Cleveland. The Athletics got only three hits, only two of which were singles. New York lost many chances to score by bad base work.

Washington and Boston split a double header. The Soxers took an opening 5 to 1, the Red Sox the second clash, 5 to 3.

**National League.**  
Cincinnati holds first place by a margin of 13 points over Brooklyn and 23 over New York. The Reds and Giants were tied Tuesday, while the Dodgers picked up by taking a double header from Philadelphia, winning the first 4 to 0 and losing the second 2 to 1.

After Marmar's injured his leg in a collision with Traxer at the first in the fifth of the second game, the single and Williams' triple off Sherwood Smith, drove home three runs, tying the score. Steinberg's misjudgment gave Traxer started the winning rally in the eighth.

The Cubs wound up their season in Pittsburgh with a 7 to 4 defeat at the hands of the Pirates, Vaughn being the hero. Two wild pitches by the Cub pitcher and a hit batsman accounted for four runs.

No other games were scheduled. **American Association.** Milwaukee idle.

## BRINGING UP FATHER

BY GOLLY! AN OLD-FASHIONED LADY'S GLOVE—HOW I REMEMBER WHEN THEY USED TO BE WORN.

THOSE WERE THE DAYS—GIVE ME THE OLD FASHIONED GIRL—NO JAZZ—NO TANGO—I MISS THEM DAYS.

IT TOOK MORE THAN A YARD OF CLOTH TO MAKE A DRESS IN THEM DAYS—LIKE TO SEE THE OWNER OF THAT PRETTY GLOVE!

PARDON ME FOR INTERRUPTING MR. JIGGS, BUT I LEFT MY BATHING SUIT ON THIS CHAIR.

## WOMEN TO SHARE BOWLING SEASON

Women came into their own at the election polls Tuesday. And now they have another chance in Janesville to share the season of the City Bowling association, which will commence early in October. The officers have included a place for the women, and efforts will be made to induce the women to get in line, form teams and organize an eight team league. The women started well last year and played for quite a while when lack of organization knocked their playing in the head. This season an early start with well-worked out schedules is hoped to overcome any such difficulty.

Thursday night at 8 o'clock this matter with several others affecting the coming season will be taken up at a meeting of all bowlers of the city and those interested in the game at City hall. It is expected that a large number will attend.

## As You Were

By BUCK.  
Of the Stars and Stripes A. E. 1.

**AFTER DARK**  
There's a little path goes winding To a place 'most past the finding, Up a cliff through waving locusts, That I've chosen for my own.

But the way is almost hidden As if trespass were forbidden By the very, fairy woodfolk, 'And it's hard to find alone.

But when once I make my way there (Guided well), I'd like to stay, Where the birds all sing politely, And respectful humbles drone. Still, with all this charm and beauty I consider if my duty, I consider if I seldom go there, If I have to go alone.

If, perchance, a pretty maid To the beside me, where the shade is, Then I like the place though sun-light Flicks each flower and mossy stone.

But considering the climb there, It is hardly worth the time there, If you have to study nature, but freely, (Not human) quite alone.

It has been my observation, That a moonlight decoration, Crowns each locus with beams of silver.

Like a princess on a throne, Make my little path a winding, And its end, 'most worth the finding, For when moon and stars are shining, I don't have to go alone.

**IT'S AN OLD WIND**  
The Grouse came back from a fall, he had kicked up everything since he landed at the lake resort, and since the wind had been very undecided his wife expected a thrice.

He noted her surprise. "Well this is the first time I've enjoyed," he remarked. "They kept that boom swinging around so much that I had to lean over all the time and feel as though I'd spent a comfortable day at my desk."

**WHICH IS ALL THE BOSS IS**  
No papers are scattered around on the floor. The big desk is dustless and neat as can be. The air is still with smoke any more.

From tempers and grouches I'm totally free. The room is as quiet and calm as a wood. There's nothing about to annoy or confuse me. And yet I don't feel the content that I should.

Since, well, since there's nobody here to amuse me. **ROSBY BEADS, Prayer Books, and other religious articles for sale at St. Joseph's convent. Prices lower than at the stores.**

## HE GETS ALL THE THRILLS OF FLYING, DOES THIS POLE VAULTING CHAMPION

Frank K. Foss.

Aviation would have had added thrills for Frank K. Foss, world's greatest pole vaulter. This now wonder broke his own world's record when he hung up a new one at the Olympic games, hurling himself over the bar at the height of 13 feet 5 3/16 inches. From the time he takes off at the end of his run until he lands in the pit his pole he has done a fair job of flying. Foss is a former Cornell student.

## Nicholson and Speaker Rush Into Batting Lead Upsetting Standings

Chicago, Sept. 8.—Outfielder Nicholson, the Pittsburgh slugger, has taken the lead among the National League batters, from Roger Hornsby of St. Louis. Nicholson experienced a great period at bat during the week of Sept. 1, and is now leading the list with an average of .381, among players who have participated in 30 or more games. The averages released today include games of last Wednesday. Hornsby did not do so well with the white bat and dropped to .365. However, he is well ahead of Eays of Boston who is in third place with .338. Hornsby, however, increased his lead in total bases to 254.

**Williams Hoodloded.**  
Cy Williams of Philadelphia seems to have struck a hoodoo in 15, as he has not added to this number of circuit drives in the past two weeks, but still he is three in from New York, .348; Murphy, Chicago, .347; Jacobson, St. Louis, .341; Beck, Detroit, .341; Rice, Washington, .340; Judge, Washington, .339; Weaver, Chicago, .335; Felsch, Chicago, .329; Cobb, Detroit, .326.

**Bunny Brief of Kansas City and Bubbles Hargrave of St. Paul** are having a merry race among American Association players. They went into a tie last week for home run honors and for total bases, and each has been keeping up the pace. They are tied this week with 20 homers each and each has a total base record of 258 bases. They also are tied in doubles with 30 apiece.

**Burgundy leads in triples with 11 to Baker's seven, but in total number of hits Baker has a shade with 154 to his rival's 146, the former having played in 132 games to the latter's 124.** Hargrave has passed the century mark in runs scored, having registered 101 tallies.

Grover Haxley of Columbus with an average of .351 is topping the batters who have played in 50 or more games, while Hargrave is runner-up with .336 and Wind of Topeka with .334. Rapp of St. Paul with .317 is showing the way to the base stealers.

**Other leading batters:** Rondeau, Minneapolis, .329; Pincup, Louisville, .329; Good, Kansas City, .328; Wade, Minneapolis, .328; Rehg, Indianapolis, .325; Hyatt, Toledo, .322; James, Minneapolis, .321; Rapp, St. Paul, .320; Kirk, Louisville, .317; Brief, Kansas City, .316; Berghamer, St. Paul, .315.

**Sister Drops Down.**  
George Sisler, the St. Louis star, who was hoping the batters in the American league, ran into a batting slump when the Mound City club invaded the east on the last game, and he was out. This Speaker, manager of Cleveland, is heading the procession with an average of .295. Sisler is second with .294. Eddie Colton, pitcher with .292. Eddie Colton, pitcher of the Chicago White Sox, has greatly improved his batting mark and is pressing Jackson, a catcher, and Ruth of New York, batsman, who is batting .377, Ruth .374 and E. Collins .367.

**"Babe" Ruth** played in only one game since the last averages were compiled and in that contest he cracked out his forty-fourth homer. His total base record was brought up to 316 and his scoring record to 134. Ruth is out of the game because of an infection on his arm.

**Other leading batters:** Rondeau, Minneapolis, .329; Pincup, Louisville, .329; Good, Kansas City, .328; Wade, Minneapolis, .328; Rehg, Indianapolis, .325; Hyatt, Toledo, .322; James, Minneapolis, .321; Rapp, St. Paul, .320; Kirk, Louisville, .317; Brief, Kansas City, .316; Berghamer, St. Paul, .315.

## FOR SALE AT A BARGAIN

We have left on hand the following machines which we must see at once. To do this we offer them to you at a great sacrifice in price.

1 16-inch Madison Sulky Plow.  
1 2-bottom Grand Detour Tractor Plow.

Don't forget—We will sell all the above at bargains.

**N. P. RATZLOW CO.**  
Tiffany, Wisconsin.

## EVANS AND GARDNER SHINE ON L. I. LINKS

Roslyn, N. Y., Sept. 8.—Chicago's two greatest amateur golfers, Charles (Chick) Evans, Jr., and Robert A. Gardner, both former champions, were shining stars Tuesday in the second round of play for the national title on the course of the Engineers' club. Evans swamped F. C. Newton, Brookline, Mass., 8 and 7, while Gardner routed C. P. Grier, Canadian champion, 9 and 7.

Four former and the present amateur golf champions of the United States and France won their matches in the second round of the tournament, but the Canadian champion was eliminated. S. Davidson, Harvard of Pittsburgh, was enabled to continue his efforts to retain his title by defeating Peter Harmon of New York after an uphill battle which went to the thirty-ninth hole.

Francis Quimet, former open and amateur champion; Bobby Jones, the youthful wonder from Atlanta; J. W. Sweetser of Yale, inter-collegiate champion, and F. J. Wright, Jr., the young Massachusetts champion, also won their matches.

E. P. Ellis, Milwaukee, defeated Robert McKee, Grand View, 1 up.

**ALL-STAR'S TACKLE EVANSVILLE FRIDAY**  
Hoping to hang the crepe on Evansville's doors Friday, the Janesville All Stars will have ample material to make a good showing in a game to be played in the morning at the Rock county fair.

Bert Cutts will be back of the pile and for heavies, "Ted" Hager, "Poke" Graesslin and "Bevo" Bick will be ready. "Blonde" Fullerton will cover short, with Paul Cullen covering first base and Mike as sub. "Walt" Schilling will cover second, with "Poke" Graesslin ready to fill in. On third, "Tom" Nazam, Zahn will cover center field, with Fred Clatworthy playing left. Captain J. Cullen, "Whites" Graf and K. Zahn in right.

**MAGNOLIA HANDS 16-6 BEATING TO EVANSVILLE**  
[By Gazette Correspondent.]  
Evansville, Sept. 8.—The baseball game on the Rock county fair grounds Tuesday between Magnolia

## TWO PAGES THURSDAY ON EVANSVILLE CARD

[By Gazette Correspondent.]  
Evansville, Sept. 8.—The Rock county fair opened Tuesday with a good crowd, splendid free attractions and music.

Jesse Norum fractured his wrist in the pony race. When his pony left the track to go to the barn, he struck a post.

Today the farmers' race takes place. Thursday there will be two races, 213 pace with five starters, and the ball game at 10 a. m., between Samson Tractors and Beloit Palms.

Those who won in the special pony race Tuesday were William Klusmeyer, first; Frank DeRemer, second; Donald Fraser, third. In the Sheldahl pony race, Ira Boyer, first; Tom Chin, second; Martin Juleish, third; Hans Nelson, fourth. The pie eating contest was won by Lee Roberts.

The balloon "Belgica" of 2,000 cubic meters capacity, has been entered by the Aero Club of Belgium. It will be piloted by Ernest Demuyter, who contested in the race of 1912.

## NATIONAL BALLOON RACE IS SCHEDULED TO START SEPT. 25

New York.—The national balloon race scheduled to start from Birmingham, Ala., this month, and the international contest for balloonists to start from the same city in October are expected by Aero club officials in charge of the races to set new records. This hope is based upon the greater gas capacity of the balloons and lessons of construction learned in the war.

The national event, due to start September 25, will see 15 contenders lined up, each aspiring to be one of three who will defend the Gordon Bennett Cup which has been in America since being lifted from France in 1913 by Ralph Upson, of Akron, Ohio. Upson, present international title holder, made his entry as soon as the race was announced. Three bags have been entered by the navy and another by the army balloon school, Fort Omaha. The other 10 balloons have been entered by civilians. The entry of the balloon school will be piloted by A. Leo Stevens, who, with Professor David Todd, of Amherst college, won fame last spring by an attempt to pick up radio electric waves from Mars through a receiving station 30,000 feet above the earth.

The second race, which is to start October 23, will be the fourth occasion on which the United States has defended the Gordon Bennett international trophy since its foundation in 1906. The entries, six in all, are: Ivan, of United States, three, and Belgium one.

Although America is the title holder by virtue of winning the last race, France has an unbeaten record for distance, made in 1912 when Maurice Bienaimé covered 1,361 miles without touching land, beating the American record of 1,172 miles set in 1910 by Alan H. Hawley.

The balloon "Belgica" of 2,000 cubic meters capacity, has been entered by the Aero Club of Belgium. It will be piloted by Ernest Demuyter, who contested in the race of 1912.

## FULTON

[By Gazette Correspondent.]  
Fulton—Mr. and Mrs. William Smith, Chicago, were Labor day visitors at the Mrs. Brown home. Mrs. Smith remains here with her grand-niece, Mrs. Brown, while her mother, Mrs. S. H. Bentley, visits Mr. and Mrs. Charles Bentley, Cleveland, O. William Smith and Mr. and Mrs. S. H. Bentley motored to Chicago Monday. Mrs. H. H. Helmer, mother and daughter, Helen Alcala, who mother, Mrs. A. Ellerson, returned to Chicago Labor day, with Selmerding, who was a Labor day visitor here. Mrs. Brown and daughter, Josephine, Milton Junction, were week-end visitors among old friends, staying at the J. E. Durwin home. Mr. and Mrs. Claude Monell, daughter, niece, and friend, visited on friends here Labor day, while motoring from Rockdale to Chicago. O. P. Murray returned Sunday night from a motor trip to Canada with Mr. and Mrs. Horace Deane, and a visit with the J. E. Durwin family. Mr. and Mrs. Deane remained for a longer visit. A pleasant picnic, consisting of 29 relatives, was held at the J. E. Durwin home last Sunday in honor of Laura Ely and family, who return to their home in New Jersey, this week. Mrs. Sutherland, Janesville, has been a visitor with her brother, J. E. and O. P. Sayre. A song service, which will probably be held often, was held in the church last Sunday evening. A young people's service, under the direction of Mrs. J. P. Carpe, made its debut. Herbert Murwin, Madison, spent Labor day at his home here. Mrs. Sue Pessenden was a Milwaukee fair visitor last week. Mrs. J. P. Carpe will entertain the women of the Fulton community and pastorate at 2:30 Friday afternoon at her home. Mr. and Mrs. B. Olmstead entertained company from Edgerton Sunday. A sister of Mrs. Deane, Roll is visiting here. Rev. and Mrs. J. P. Coupe motored to Milton Labor day afternoon and were the guests of Mrs. Brown and Miss Josephine Brown.

## CENTER

[By Gazette Correspondent.]  
Center—School opened Monday (Labor day) in district number 1, with Miss Minnie Milbrandt, teacher. She takes up her residence at the W. C. Miller home. Center was well represented at the state fair in Milwaukee. Among those who attended were Messrs. and Mrs. James Jay Fuller, Cady Nighingale, and Ed. Davis, who motored there Thursday. Milwaukee day. Mr. and Mrs. Lloyd Dohs returned home Sunday from a week's visit with Milwaukee relatives. They attended the fair. Mr. and Mrs. Will Dixon and friends, Mr. and Mrs. Will Brooks, Evansville, motored to Milwaukee and spent two days at the fair. Mr. and Mrs. Glenn Fisher and children, Ed. and Lottie Fisher and son, Ed. were Labor day visitors at the Dixon home. Miss May Miller spent last week at the Banner cottage, Lake Kegonsa. Miss Neva Miller, and brother, Warren, spent the past week at the home of their grandparents, Mr. and Mrs. Peter Draht, Atton. Jay Fuller and family and Miss May Fuller were Beloit visitors Sunday. Delton Grange, who has been spending the past two weeks here, returned home Sunday. Messrs. and Mesdames Will Dixon and Bert Gooch motored to Madison Sunday and visited Vilas park. Mr. and Mrs. Fred Brown, North Fond du Lac, were over Sunday visitors at the home of the former's father, George Brown, and brother and

Mr. and Mrs. Leonard Stuart and daughter of Hanover, and Mrs. Anna Cready, Beloit, were visitors Sunday at the home of Mr. and Mrs. R. R. Cready. Mrs. Cready, who underwent an operation at the Emergency hospital in Beloit two weeks ago, has recovered sufficiently to enable her to return to her home. Leo Schumacher has returned after spending the summer in California. After two weeks' visit at the home of his parents, Mr. and Mrs. Henry Schumacher, he returned to his work at Kenosha. Mr. and Mrs. B. H. Farrabee, Lynden station, visited at the home of Mr. and Mrs. Henry Schumacher. Mr. and Mrs. Will Schooff entertained Mr. and Mrs. Edward Geinke, Mr. and Mrs. Martin East,

## FOOTVILLE

[By Gazette Correspondent.]  
Footville—Miss Grace Ashby, Oriskany, and Mrs. Peter Long, with her sister, Mrs. Glenn Long, Miss Edie Bartley expects to return soon to her home in California. She spent a couple of days with her uncle and aunt, Jacob Virginia and sister, Mrs. Kate McKinley Snyder, Paul Stevens, and Fred Jones boarded the Saturday evening train for Madison. They also expected to visit Wales, and are planning to return by auto. Miss Helen Walters, Hanover, and friend, Miss Linda Bowers, were visitors in town Sunday morning. George Bahr has a broken arm, caused by an accident in cranking an automobile. The Misses Ruth and Kathryn Stevens have gone to Milwaukee to attend Normal school. The Misses Albin, Violet Owen, Bessie Curry, and Gladys Milne, and Stanley Poynter are in Milwaukee, where they have entered the high school. Mr. and Mrs. Will Silghausen, who are in Milwaukee, returned home Sunday night. They spent Sunday at the home of Mr. and Mrs. Charles Whitmore, and returned home Monday afternoon. School began Tuesday. Many are planning to attend the shedding tobacco and some are already filling their silos.

## KOSHKONONG

[By Gazette Correspondent.]  
Koshkonong—Mrs. Walter Lyons and children, three boys, Monte, have been visitors at the P. Lyons home. Clurey Carrigus is home from Iowa and is stopping with his brother, W. C. Carrigus. Mr. and Mrs. Elton Craig moved to Port Atkinson last week. Miss Esther Steadman returned to her home in Eau Claire, having spent two months with her sister, Mrs. Herbert Robinson. Ed. Bingham, Mr. and Mrs. Bern Sievert, and Arthur Traynor were among those attending the state fair at Milwaukee. Rev. W. S. Carr, fair at Milwaukee. District Superintendent Turner, Janesville, made several calls in this vicinity Saturday. Rev. W. D. Hamilton preached his last sermon as pastor of Otter Creek church Sunday morning. He left with his family Monday for Marston, Mass. He preached here four years. Those taking prizes at the harvest festival, Milton Junction last week, were: Horman, Rupnow, first on six largest cucumbers, second on six largest tomatoes, third on winter wheat; Harry Robinson, first on pop corn; Mary Hurd, second on fried cakes, first on crocheted insertion; Al Bassett, second on crocheted yoke; second on crocheted collar. Will Wills filled several silos around here last week. Will Rieter is hauling lumber for a new tobacco shed. Peter Traynor and son sold a young bull from their milking Shorthorn herd to Slick brothers, Hanover.

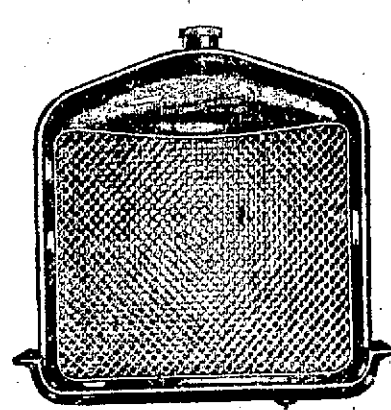

## WHITEWATER

[By Gazette Correspondent.]  
Whitewater—Miss Brown, Port Atkinson, visited her aunt, Mrs. Andrew Dixon, for a few days. Mrs. Franklyn Tyrrell has been entertaining relatives from Waukesha. Florence Van Duser went to Stevens Point Friday to visit. From there she will go to Owen, where she will teach the coming year. Mr. and Mrs. William Vance and son started for California last week in their auto. Mrs. Larkins is leaving her farm and has rented the Vance house. Miss Mary Alice Brown is teaching in East Troy. Arthur Abbott, Milwaukee, and Mr. and Mrs. Charles Gleiter, Janesville, spent Monday at the H. L. Jones home. D. L. Warner and family drove to Milwaukee Monday. The Methodist Social auxiliary met Tuesday night with Mrs. Ralph Piske at her home on Cottage street. Mrs. Ida Flahn-Fowler, Chicago, is visiting relatives in the city. Mrs. H. E. Knox, Milwaukee, spent Labor day with John Kachel and family.

## SHARON

[By Gazette Correspondent.]  
Sharon—Miss Edith Wilkins went to Clinton Monday, where she will teach domestic science in the public school the coming school year. D. O. Markell went to Elkhorn Monday, where he will again be on the police force during the Walworth county fair. Mr. and Mrs. Smith and Mrs. Evans, and their mother, Mrs. Gaines, Bristol, visited over Labor day at the homes of Rev. E. C. Potter and Mrs. Ida Sizer.
